RE: File #2002-00668

Dear Mr. and Mrs. Gray:

On October 6, 2004, personnel from the Department of Environmental Services ("DES") conducted an inspection of the above referenced property, more specifically referenced on Town of Merrimack Tax Map 3A as Lot 67 (the "Property"). The purpose of the inspection was to determine compliance with RSA 483-B and applicable rules adopted under that statute, and specifically whether the deficiencies noted in the Letter of Deficiency issued to you on May 21, 2002, have been addressed.

As a result of this inspection, it was determined that the deficiencies described in the Letter of Deficiency have been corrected. DES will close its enforcement file regarding the Property at this time. DES reserves the right to reopen this matter should additional information be received regarding additional violations on the Property.

Thank you for your assistance to bring this matter to a resolution. Should you have any questions, please contact me at (603) 271-6876.

Sincerely,

*Allyson L. Gourley*
